

NEW FOREST

SUNDAY OCTOBER 17th 2021

Enjoyed riding through the trees as we made our way to the New Forest via Fordingbridge, for a coffee stop.

Rode down through Ornamental Drive and on until we reached Sammy Millers for our lunch stop.

Admired an assortment of Sammy's bikes through the windows!

Stopped at Burley for another coffee as such a pretty tourist spot.

Loved mingling with the ponies!

Lymington docks was our last stop of the day, where we all enjoyed an ice cream while relaxing in the sun.
