

THE OLD WELSH R.R CIRCUIT

Sunday August 22nd 2021

Another fine day weatherwise!

First coffee stop Abergavenny at the famous Luigie's.

Travelled on to the old race circuit at Llywel.

Great roads to ride with numerous bends, straights and wonderful scenery.

Went on to the famous biker's Café Express at Crossgate's for our lunch.

Fed and watered, we then made our way to the impressive black and white village of Pembridge.

Made our way home with our last comfort stop at Tintern.
