

EXMOOR

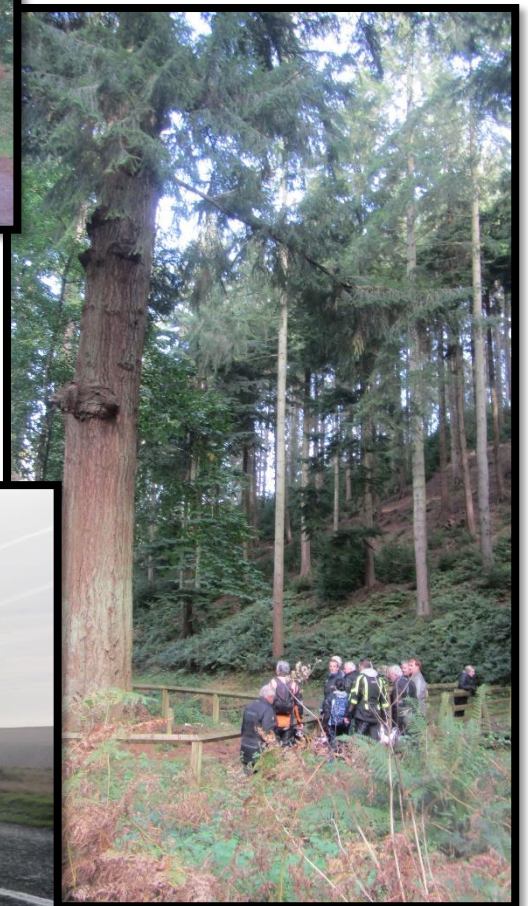

Sunday November 7th 2021

Brilliant weather all day on this ride out.

Dunster was our first stop for a good coffee and natter.

Went to visit the tallest tree in England at Nutcombe Bottom.

Rode through some lovely scenic roads at this time of year.

Over the moors to Exford and Simonsbath avoiding the friendly ponies. Down to the Valley of Rocks near Lynton.

Back to Minehead stopping to breathe in the sea air and enjoy our last comfort stop. Then homeward via Blue Anchor, Watchet and Quantock Common. We all had a great day out in the sunshine luckily.
