

HINKLEY POINT AFTERNOON RUN

SATURDAY OCTOBER 10th 2020

Started the day by heading through Cannington to Hinkley Point. Great biker bends on this road.

After viewing Hinkley, our group then travelled to Bridgwater to have a coffee stop at Riders and view the bikes on show. Because of Covid the café there was closed, so after a walk round we decided to visit the nearby Subway which didn't disappoint!

Our way back included Seven Bends Langport, (very enjoyable). Lovely sunshine again today which always helps.

Cheers Tony (Pan Euro)
