

WHEN WILL MY NEXT RIDE OUT BE..... RE THE CORONAVIRUS!!

NEW FOREST 27nd March 2020

From the start the weather was brilliant with sunshine all day.

We made our way down the A338 for a fuel and first coffee stop.

Then on to through the forest via Boulder Wood, Ornamental Drive and on through other great forest roads.

Lots of ponies and donkeys to see.

Stopped at Sammy Millers for our packed lunch, then rode on to Lymington Docks (very pretty there).

On through the rest of the forest arriving at Burley. After a look around, homeward with a coffee/comfort stop at a petrol station on the way home.

Cheers (Tony (Pan Euro))
